OXYCLEAN

OXYDRO

Description

OxyClean is a powerful alkaline cleaner used to concrete and metal surfaces.

Use

OxyClean is designed to be used as a cleaner in conjunction with pressure washing or manual cleaning. OxyClean is used to clean facades made from concrete, tile or metal surfaces.

Specifications

OxyClean is non-flammable, non-toxic and biodegradable cleaning product.

Application Instructions

Apply OxyClean with a brush or wipe on with a cleaning rag. OxyClean can be used in a pressure washer at a concentration level of 5%.

Packaging

5 gallons (18.9 liters) container.

Storage and Shelf Life

Shelter in a dry environment from direct sunlight, extreme heat, rain and freezing. Shelf life is one year in original sealed packaging.

Sider-Oxydro products are specifically formulated and designed to meet and exceed industry standards. Please refer to technical data sheets for specific installation instructions or contact Sider-Oxydro for application questions.
