

SIDER-DECK CLEANER

The Ultimate Cleaner for Cementitious and Other Surfaces

And now, enjoy using SIDER-DECK CLEANER and benefit from this superior traditional textured decorative wall coating system developed by Sider-Oxydro, Inc., leaders of technological advancements for the construction industry since 1937`.

Description

Sider-Deck Cleaner is a powerful cleaner, specifically formulated to clean and protect cementitious surfaces. Sider-Deck Cleaner cleans and protects Sider-Deck, concrete floor, tile, brick deck, cementitious coating, etc. It can be also used to clean walls (brick, concrete, stucco and natural efflorescences, concrete blocks, stone etc.) Sider-Deck Cleaner protects the surface it is applied to against re-growing of the mildew for a limited time after treatment.

APPLICATION INSTRUCTIONS

Brush or spray Sider-Deck Cleaner on the surface to be treated, then scrub until it is clean. It is very important to rinse with clean water after treatment. **Do not let Sider-Deck Cleaner settle as it may stain the surface, rinse immediately after cleaning.**

Apply Sider-Deck Cleaner when surface and ambient temperatures are above 41°F (5°C) and below 95°F (35°C) during application. Do not apply to overheated, excessively dry or frozen substrates. **Avoid contact with metal as it may create corrosion.** Sider-Deck Cleaner is an acid-based product. Use gloves and goggles during the application of Sider-Deck Cleaner. Consult MSDS for safety recommendations.
