

Exterior Insulated Finishes

Corner Bead

Product #	Product Size	Pieces/Box
4	2-1/2" x 2-1/2"	50
8' & 10' Lengths		

● Application:

Eliminates costly rasping and double wrapping of corners. The nose allows for straight corners and proper depth of finish. High impact resistant.

● Specification

Corner Bead shall be Plastic Components, Inc. # 4. All exterior accessories shall conform to ASTM standards D1784-92 and C1063-94. They shall be used where specified by the architect and installed per industry standards and manufacturer's instructions.

Caulk all butt joints, intersections and ends.
It is recommended that PVC products be used for all exterior exposures.
