

Exterior Insulated Finishes

Soffit Vent

Product #	Pieces/Box
548-1	10
10'Lengths	

● Application:

Designed for use with 1" foamboard. Vented area is 2-5/8" wide. **Extra wide** mounting flanges make attachment to sheathing easier. Wide flange has 1/8" stops with striations to provide positive bond of the base coat and mesh assuring proper finish thickness.

● Specification:

Soffit Vent shall be Plastic Components, Inc. # 548-1. All exterior accessories shall conform to ASTM standards D1784-92 and C1063-94. They shall be used where specified by the architect and installed per industry standards and manufacturer's instructions.

Caulk all butt joints, intersections and ends.
It is recommended that PVC products be used for all exterior exposures.
